should mean

- ★ right to meaningful jobs for all & no to job losses
- ★ trade union rights & collective bargaining, involving women young workers & the unemployed
- ★ a living wage as a minimum
- ★ right to social security & health for all
- ★ no displacement from land & livelihood
- ★ land to the landless peasants, not to the landlords & the real estate mafia
- ★ affordable fair prices, not prices fixed by the profiteers, introduction of a democratically managed public distribution system
- ★ access to universal education & free health care for all
- ★ housing, electricity & water in public hands
- ★ affordable & environmentally friendly mass public transport system
- ★ re-distribution of wealth & no to reservation of poverty
- ★ no to IMF & World Bank
- ★ no to liberalisation, privatisation & capitalist globalisation
- ★ democratic planning not bureaucratic bungling
- ★ no destruction of the environment, no global warming & no industrial pollution
- ★ all elected people's representatives to live on workers wages & subject to recall
- ★ rightful place for women in society, politics and economy
- ★ equality across race, religion, ethnicity, castes, and genders including sexuality minorities
- ★ democratic control & management of resources and productive forces by the Working People
- ★ right to self determination to all nationalities
- ★ a democratic socialist state will not allow communalism & casteism
- ★ end capitalism and establish democratic socialism

**Fight to build a new mass Political  
Alternative of Working People**
